ANNIVERSARY DATE: Annually in December

Dear Ms. Sickler:

The Jacksonville Transportation Authority (JTA) is pleased to announce that your firm has been certified as a **Disadvantaged Business Enterprise [DBE]** in Florida, under a **Unified Certification Program [UCP]** in accordance with 49 CFR, PART 26.

DBE certification is continuing from the date of this letter, but is contingent upon the firm renewing its eligibility annually through this office. You will be notified in advance of your obligation to continue eligibility in a timely fashion. Failure to continue your eligibility will result in immediate action to decertify the firm.

As long as the firm is listed in the DBE Directory, it is considered DBE Certified by all Florida UCP Members.

DBE Certification is subject to actions by governmental agencies impacting the disadvantaged status of the firm.

Your firm will be listed in Florida's **UCP DBE Directory** which can be accessed via the internet, at <http://www.bipincwebapps.com/biznetflorida/> or through FDOT's website at www.dot.state.fl.us/equalopportunityoffice and by "clicking" on "DBE Directory" in the left hand margin, then "clicking" on "Directory" near the bottom of the page.

DBE certification is **NOT** a guarantee of work, but enables the firm to compete for, and perform, contract work on all USDOT Federal Aid (FAA, FTA, and FHWA) projects in Florida as a DBE contractor, sub-contractor, consultant, and subconsultant or material supplier.

If, at any time, there is a material change in the firm, including, but not limited to, ownership, officers, Directors, scope of work being performed, daily operations, affiliations with other businesses or individuals or physical location of the firm, you must notify this office, in writing, without delay. Notification should include supporting documentation. You will receive timely instruction from this office as to how you should proceed, if necessary.

Your firm may compete for, and perform, work on all USDOT Federal Aid projects throughout Florida, receiving DBE credit for work performed in the following areas:

NAICS: FDOT Specialty Code & Description

541330 Engineering Services
